1. How much time do you have for maintenance of the garden and do you have any help in the garden?
2. Do you sit in the garden and if so do you prefer to sit in the sun, shade or both, and what size of sitting area do you want?
3. Have you got children playing in the garden?
4. Have you got pets?
5. Garden related hobbies (such as croquet, interest in birds etc)
6. What are the existing features of the garden that are enjoyed, and which features would you particularly like to retain?
7. What new features would you like to include?
8. Would you like; compost bins, drive, garage, shed, greenhouse, summerhouse, washing line, children's requirements (slide etc), or to be pushchair/wheelchair friendly?
9. Do you want to include herbs, vegetables or fruit?
10. Would you like to garden organically?
11. Do you want plants that are attractive to butterflies, bees etc, and do you want any other features to attract wildlife?
12. Do you want lawns?
13. Which plant types would you like (trees/shrubs/perennials/wild flowers)?

- 14. Which colours do you like?
- 15. Do you want tubs and pots etc
- 16. Do you want trellis or a pergola?
- 17. Do you want a pond or water feature?
- 18. Do you want outside taps or water butts?
- 19. Are there any existing views outside the garden which are important to you or that you want to hide, and do you need any barriers from the wind?
- 20. Which areas are sunny, shady, windy, sheltered, at which parts of the day and for how long?
- 21. Do you suffer from hay fever or asthma, and are you allergic to any plants?
- 22. Would you like garden lighting?
- 23. Do you already have or want to include different levels?
- 24. Any preferred surfaces (gravel etc), raised beds or path surfaces?
- 25. Would you like any sculpture or other focal points in the garden?
- 26. Budget?
